GOVERNMENTAL EVENTS

Governmental Events

Marcom Nine can create, plan and deliver stunning engaging Governmental events that are true to your objectives.

Trade Shows & Exhibitions

Just like other events, **Marcom Nine** can make your exhibition stand out! Our services include custom stand development and design, build, branding, event technology, activities & exhibitors training.

PRIVATE EVENTS

Parties normally occur for a reason; a special birthday or anniversary, an engagement or a special achievement. As such, planning a party no matter the occasion, can be a wonderful experience.

Marcom Nine is here to help make this experience easy, enjoyable and most of all a success.

CONCEPT DEVELOPMENT

Event management involves apprehending the brand details, recognizing the target audience and then designing the concept and logistics to meet the expectations of the audience in the best possible manner. Our creative team are front runners in conceptual design we draw on practical experience gained in diversified fields and culture. From your initial brief, our creative team will develop unique design solutions utilising 3D modelling, visual design production, graphic design, video & content creation and collateral production.

VENUE SOURCING

Marcom Nine always find the right venue, in the right location, at the right budget to support the objectives of your event. We support and understand both procurement processes and mandates whilst delivering a creative approach to venue finding.

Our venue finding service is quick and easy – we have a consultative approach and will work with you to find the perfect option for your event.

SETUP & DECORATIONS

Our stage & venue set up is designed especially for setting the right mood and provide the perfect platform for reinforcing your intended message. Our production team plays with the overall look using unique decorations, flower arrangements, visual arts and movements, layered lighting for the enhancement of special effects to keep the attention of the audience.
